CAMPING HOME

Holiday accommodation for serviced camping pitches.

TRANSFORM PITCHES

BRING CONTEMPORARY ACCOMMODATION AND INTEGRATED OUTDOOR LIVING TO SELECTED SERVICED PITCHES.

Camping Home combines a compact caravan-based unit with a coordinated terrace concept. It gives campsite and holiday-park operators a way to introduce a new rental category and develop their project in phases.

01

Introduce a new offer

Add a contemporary accommodation category alongside your existing camping offer.

02

Invest in phases

Start with a pilot and use the experience to plan the next stage of your project.

03

Extend your portfolio

Select the layout and outdoor-living configuration for your target guests.

INTO PREMIUM STAYS.

**CARAVANING EXPERIENCE.
HOSPITALITY EXPERTISE.**

1965

Adria recreational vehicles

A heritage of designing and manufacturing vehicles for life on the move.

2002

Adria Home established

Experience in accommodation for campsites, resorts and outdoor hospitality.

Compact accommodation. A complete holiday.

Contemporary interiors, panoramic glazing and an optional terrace system bring the home and outdoor living together.

PANORAMIC GLAZING

A strong connection with the outdoors.

TERRACE CONNECT

A serving window linking kitchen and terrace.

OPTIONAL TERRACE SYSTEM

Choose the outdoor-living configuration.

O2/VIN and conformity documentation apply to the final approved specification. Market registration requirements may vary. Delivery and installation scope is agreed for the selected project.

O2 EU ROAD HOMOLOGATION WITH INDIVIDUAL VIN

Standardised factory-built construction and transport-optimised dimensions support a coordinated approach to the home, optional terrace and site deployment.

Turn every pitch into a business opportunity.

Camping Home helps operators unlock the potential of suitable serviced pitches through a new, scalable premium rental category.

REVENUE POTENTIAL

- Creates rental revenue from suitable serviced pitches
- Supports higher revenue potential per pitch

FASTER DEPLOYMENT

- Enables faster deployment of new accommodation capacity
- Reduces transportation and on-site installation complexity

PHASED GROWTH

- Supports phased investment and portfolio expansion
- Simplifies product standardization across multiple destinations

NEW ACCOMMODATION CATEGORY

- Introduces a new premium rental category alongside conventional caravans
- Supports efficient maintenance and long-term operation

DESIGNED AROUND EFFICIENT DEPLOYMENT,
PREMIUM GUEST EXPERIENCE AND LONG-TERM OPERATION.

02 EU ROAD HOMOLOGATION

Individual VIN number

02

COMPACT & STANDARDIZED

A modular concept designed for efficient deployment

03

PANORAMIC GLAZING

Large glazed surfaces connect the interior with the outdoors

04

TERRACE CONNECT

Panoramic serving window connecting kitchen and terrace

05

PREFABRICATED TERRACE

Optional coordinated outdoor-living system

06

OPTIMIZED TRANSPORTATION

Reduced logistics complexity and costs

Comfortable indoor living for different guest needs.

Thoughtfully planned configurations combine comfortable sleeping areas, a kitchenette, a bathroom, a Terrace Connect window and a versatile indoor living space — with the choice of two bedrooms or a convertible lounge that provides additional sleeping space.

4+1

Family balance

INDOOR SITTING AREA

A sofa and table create a compact, comfortable living space.

TWO BEDROOMS

Two comfortable bedrooms provide a spacious and inviting space for rest.

ONE BATHROOM

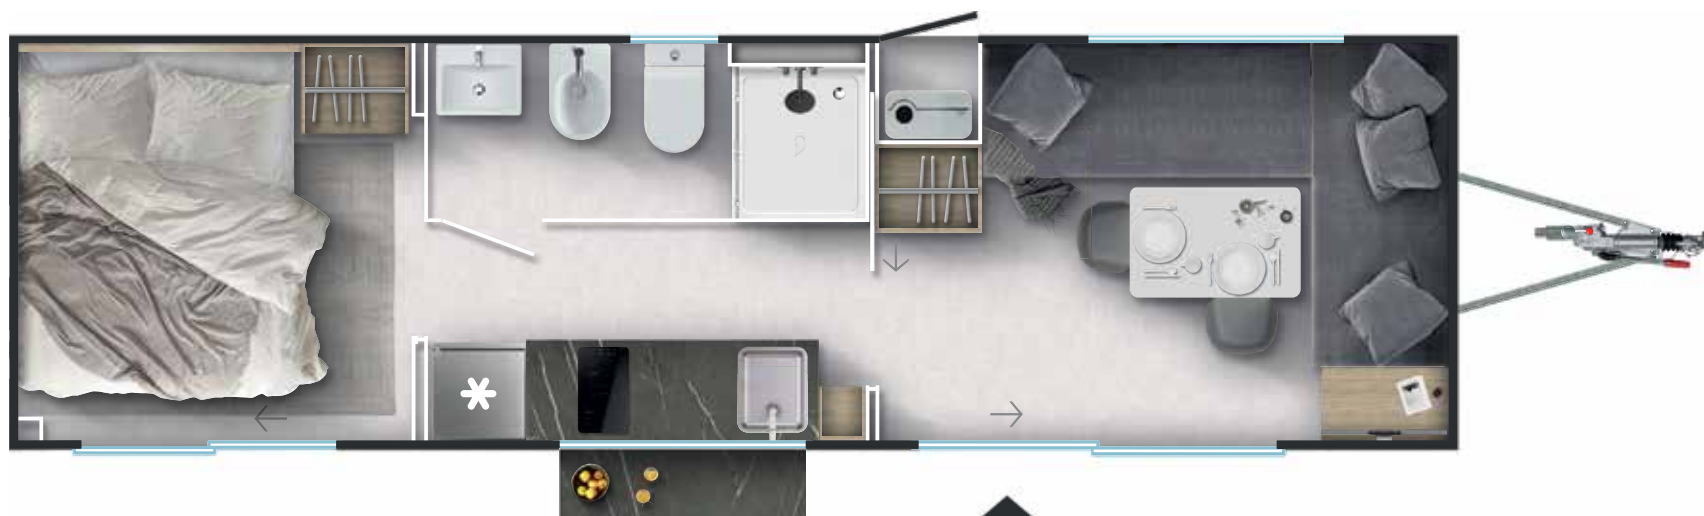

A dedicated bathroom provides essential comfort and privacy.

CHOOSE YOUR MODEL. INDOOR ARRANGEMENT FIRST.

8425 F11

☾ 2+3

Family lounge

CONVERTIBLE LOUNGE

A modular sofa transforms into additional sleeping space when needed.

ONE BEDROOM

A comfortable bedroom provides a dedicated space for rest and privacy.

ONE BATHROOM

A dedicated bathroom provides essential comfort and privacy.

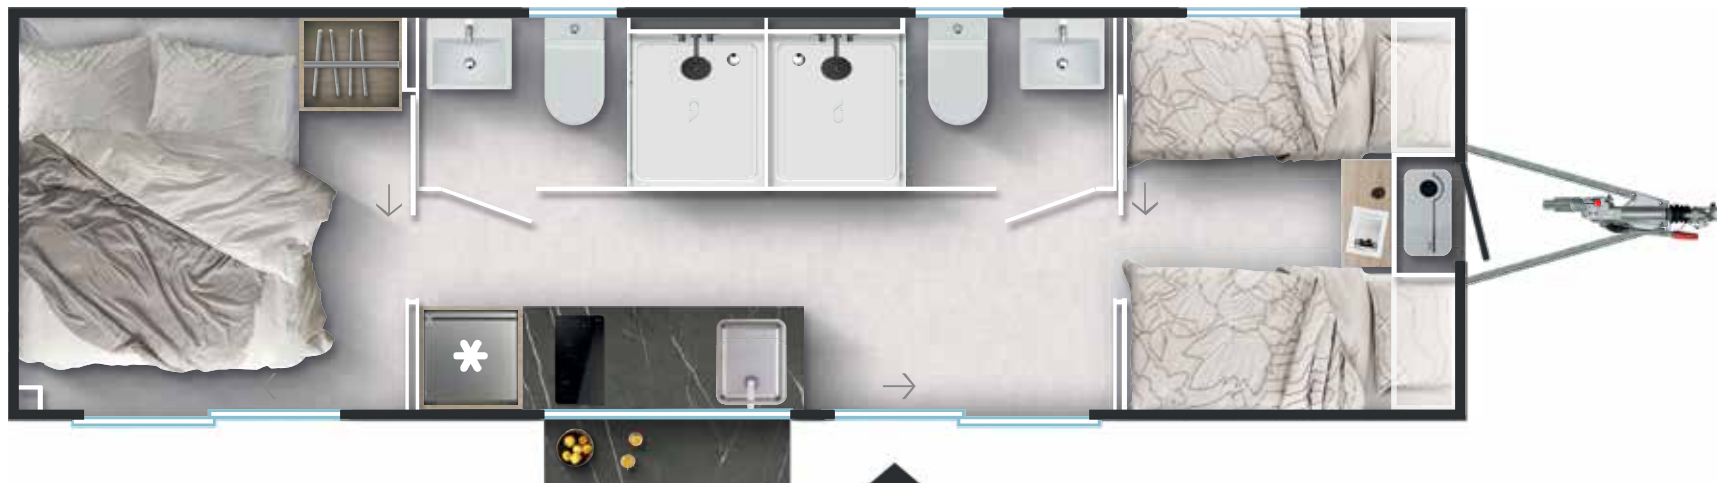

Flexible accommodation. Designed around your concept.

Choose the configuration that fits your hospitality concept — from a complete accommodation with bedrooms, kitchenette and living area to the Twin layout, which creates two independent units, each with its own bedroom, bathroom and entrance.

4

Family privacy

EXTENDED LIVING SPACE

Extend the living experience outdoors with your choice of terrace.

TWO BEDROOMS

Two comfortable bedrooms provide a spacious and inviting space for rest.

TWO BATHROOMS

Two separate bathrooms provide added comfort, convenience and privacy.

TWO-BEDROOM COMFORT, WITH LIFE CONTINUING ONTO THE TERRACE.

8425 TWIN22

2+2

Twin suites

TWO INDEPENDENT UNITS

Two accommodation units, each with its own bedroom, bathroom and entrance.

TWO PRIVATE BATHROOMS

Independent bathroom facilities for greater comfort, privacy and flexibility.

INDIVIDUAL ENTRANCES

Separate entrances allow the two units to operate independently.

Life flows outside.

Carefully positioned glazing, integrated furniture and smart storage make the compact interior feel open and connected.

TERRACE CONNECT

A panoramic serving window linking the kitchen with terrace life.

Preparation inside.
Shared moments outside.

Comfort, in every detail.

Thoughtful sleeping spaces, integrated storage and materials selected for rental use.

INTERIOR DESIGNS

Dubai

Kyoto

Venice

The terrace is the new living room.

Dining, relaxing and time together. The optional terrace extends the accommodation experience beyond the home.

COMPLETE THE OUTDOOR LIVING EXPERIENCE.

Choose from optional elements to make the terrace even more functional and inviting:

- Outdoor kitchen
- Lounge set
- Table & chairs
- Terrace extension / Sun deck

One terrace. Three experiences.

Open sides, flexible protection or sliding glass. Choose the enclosure around your guest experience.

Open Pergola

A pergola and open sides for outdoor dining and relaxed stays.

Crystal Flex

Transparent PVC panels provide a flexible closing concept.

Panorama Glass

Sliding glass panels create a more enclosed terrace setting with open views.

Plan your delivery.

MODULAR TERRACE

Standard terrace components supplied as modular packs for consolidated transport and on-site assembly, particularly suited to high-volume projects.

INTEGRATED TERRACE

Prefabricated terrace modules delivered in coordination with the home.

MOBILE TERRACE

Prefabricated terrace modules mounted on wheels.

** Terrace concepts are illustrative; final construction, inclusion, specification and availability are agreed for the selected project.*

** Home, terrace configuration, furnishings and services are defined separately in your proposal.*
